Weather not great

**1st August :**

(Saturday)

Mt Gambier trip for

Mini-Roos Festival

U6, U8 and U10.

Register your inter-

est online. Char-

tered bus being

organized.

## Wolf Howl

Hello Everyone.

Well its been a busy term and the school Holidays have arrived. I do hope everyone has enjoyed their fill of football and are ready to come back in term three.

Some news on our WDSL Junior teams which finished the first season last week. Our U13s topped the ladder with 6 wins from 6 games and have booked one spot in the grandfinal in September. Well done to those kids who are playing brilliantly and are a great Wolves team.

Our U16s have recorded 4 wins and 2 losses but did not top the ladder at the end of the season just yet with one game left this afternoon. This league is very close and the Wolves kids have shown some great form and they are already looking forward to league starting next term.

Our Junior program has been going well and next term we have put a couple of activities in the calendar. We have a photo shoot on the 26th of July. This will be our club photo shoot so make sure you can make this date. We have been invited to Mt Gambier Mini-roos day on Saturday the 1st August and we are looking to take

teams there. Please check the Website were you will be able to register your interest to travel as a club. We are looking to chrater a bus and the costs will be reduced to allow us to travel as a club.

Thanks to all the coaches and volunteers who are helping week in week out. It's a great Community of Wolves people everywhere.

Have a nice break see you soon.

Carlos.

President

WWFC.
