### 1. Our commitment

We believe that junior sport should be safe, enjoyable, inclusive and maximise individual participation. Our club acknowledges that positive experiences in junior competition will contribute to children developing a lifelong love of sport.

### 2. What we will do

- emphasise to coaches and parents that junior sport is about participation, not competition
- Endeavour to provide juniors with a broad range of experiences by playing them in different positions
- Endeavour to provide equal playing time for all juniors, regardless of their ability but may be influenced by training attendance and good communications with team coaches and managers
- Ensure that all team members play in finals if eligible
- If a player is playing up an age group as a top up player, priority will be given to players playing in their correct age group
- Ensure only registered wolves players or officials participate in training sessions unless expressly invited by the Warrnambool Wolves president.

- Focus on your child's effort and performance, not the score
